

SPIRIT, SOUL AND BODY PART 1

1. Introduction

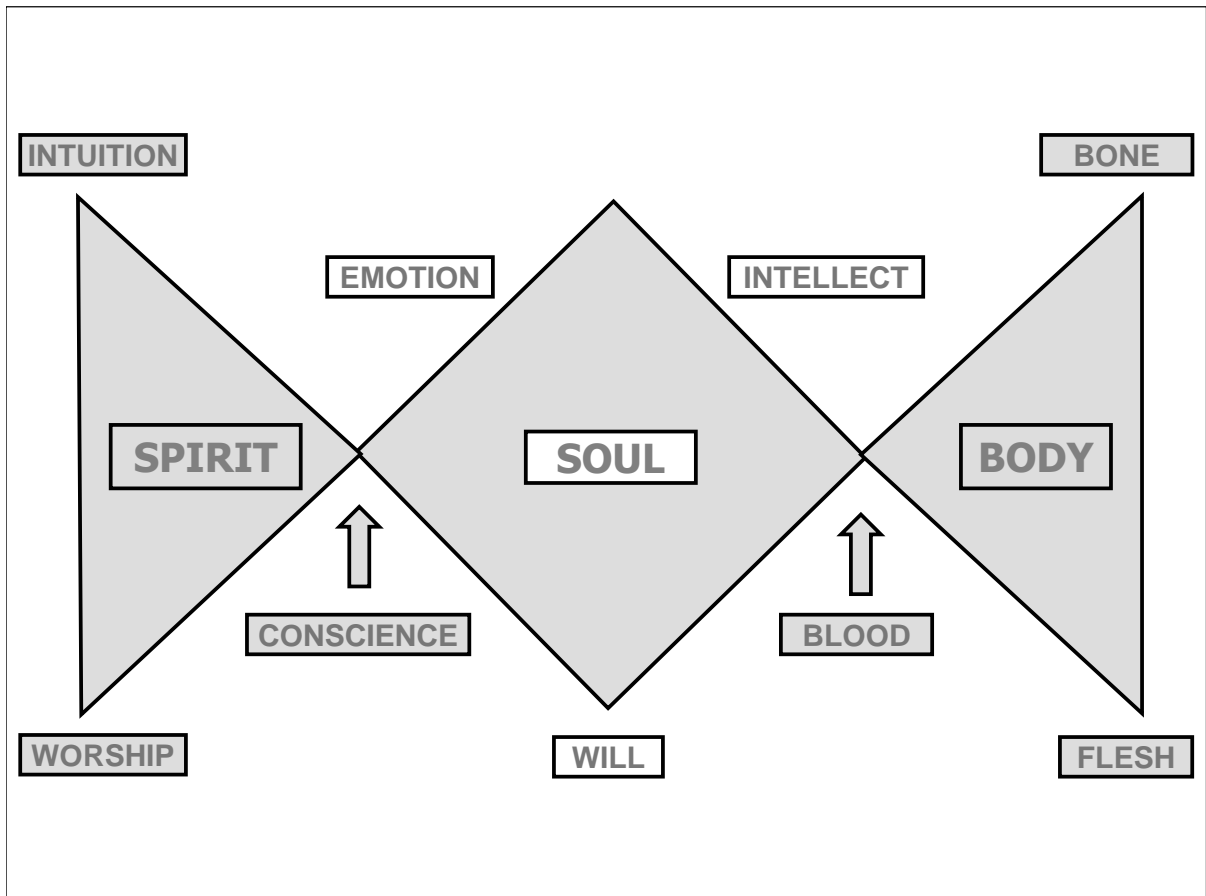

You are a spirit who lives in a body and have a soul. – 1 Thes 5:23

2. Triune being

Body – flesh, bone, blood

Soul – personality (intellect, will, emotions)

Spirit – conscience, intuition (knowledge without reason), worship – Jhn 4:24

Blood connects body and soul – Lev 17:11

Conscience connects soul and spirit

3. Characteristics

Body – 5 senses

Soul – mental, emotional

Spirit – to have contact with the spiritual realm

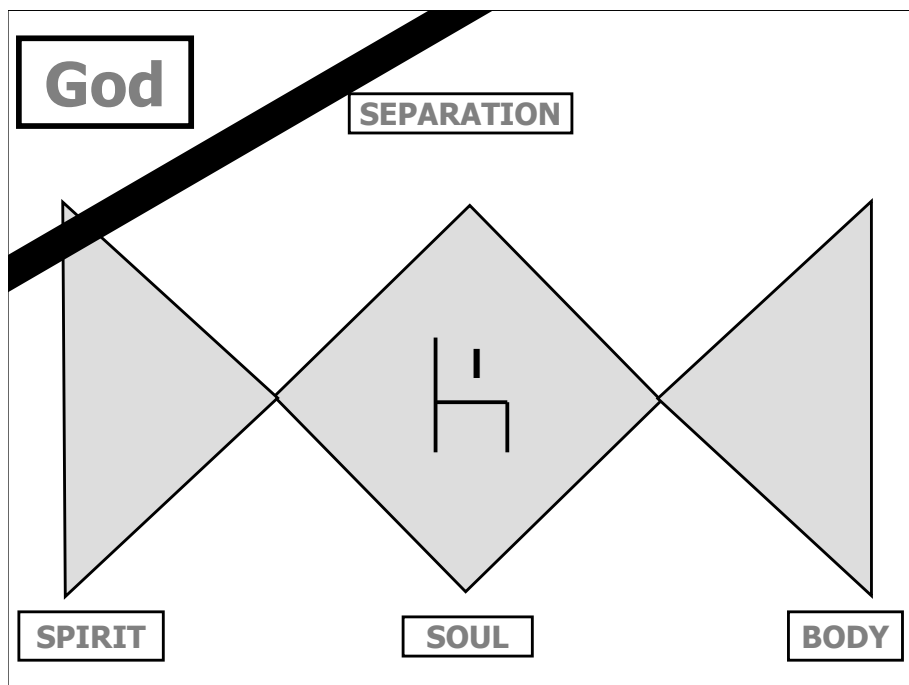

4. Appetites

Body – eating, sex, exercise

Soul – entertainment, study

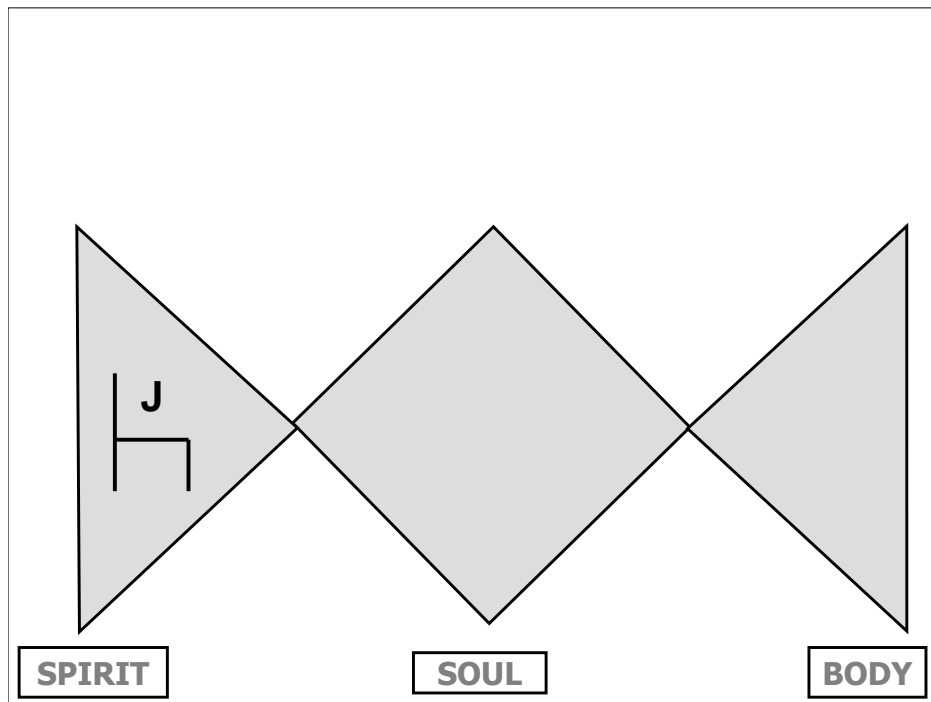

Spirit – fasting, praying, word (hunger after God)

5. Before salvation

- Before you are born again, your spirit is separated from God
- You are totally controlled by your soul
- Your nature is one of
 - Self consciousness
 - Self centered
 - Selfish
- You are controlled by a desire to have these 6 things
 - Acceptance
 - Accomplishment
 - Provision
 - Possessions
 - Safety
 - Security
- Selfishness is the source of sin

6. After salvation

- When we get saved Jesus comes and rules from our spirit
- We must give up the rule from our souls
- When we allow God to rule He will take care of each of the basic 6 things we need and we do not have to strive for them

7. Summary

Give Jesus your all and life will be fulfilling for you.
