

## **THE BLESSING PART 4**

### 1. **Power**

- People think that money is power
- Money is the lowest form of power because it cannot create anything
- Our prayer and promises (e.g. What so ever you ask believing you shall have – Mt 21:22) is the highest form of power because it can create
- The prayer system that God has set up for us is part of the Blessing
- Prayer is the highest form of power because it connects us directly to the creator and it can create
- It lets us walk in rest inside the Blessing

### 2. **How do people prosper?**

- The world prospers through work
- We prosper through the Blessing

### 3. **Riches in Ps 112**

- Blessed (Someone who walks in the Blessing)
- Big house, wealth, riches and righteousness
- You get it by the Blessing and not trying to get rich
- It is pure grace and NOT works
- Keep yourself in:
  - Love commandments
  - Faith
  - The word of God
  - The Blessing
- The Blessing only works by faith Heb 11:6
- Faith only works by love – Gal 5:6

### 4. **How does grace work in 2 Cor 9:8?**

1. Go to the throne of Grace – Heb 4:16
2. We obtain mercy because
  - We caused the problem by a bad decision
  - Bad things happen to good people because of poor choices
3. We find Grace for that specific need that we need help with e.g. healing, finance etc
4. All Grace that is mentioned in 2 Cor 9:8 means grace for any area of life.

### 5. **Summary**

**We must choose to be Blessed to be a blessing**
