

THE BLESSING PART 6

1. **Gentiles**

- Means without God – 1 Cor 12:2
- World system
- Toil for a living
- Has the idea that you cannot be blessed unless you have money
- Makes you vulnerable to anything in order to get money

2. **God vs. the World**

- Mt 6:31-33
- Gentile focus = Food, housing and clothes
- Believers focus = The Kingdom of God and His way of doing things (THE BLESSING)

3. **Sorrow**

- Introduced because Adam disobeyed God - Gen 3:17
- Sorrow came in because of the curse
- Adam had to toil to live Gen 3:19
- He lost the blessing and now had to toil
- This caused the idea that “If I get food I am blessed”
- Jesus became the curse and took all sorrow – Is 53:4
- We are free from toil not work

4. **THE BLESSING and the anointing**

- The blessing works all the time on your behalf
- The anointing (God's liberating power) works when ever we need it and operates on the Word for a specific occasion
- The anointing is in the Blessing
- E.g. Lk 5:1-8
- Peter had toiled (World/Gentile system)
- Jesus spoke a Word
- The anointing to perform the miracle was activated through the word because of the Blessing

5. **Summary**

The Blessing supplies your needs
